Serial No. 8601

Subject:- Refugee Relief Matters
Staff to deal with the--

Sir,

In view of the distrubances in Hyderabad State a large number of refugees is pouring in my distri The number of refugees has greatly increased during the current week. The Mamlatdars have been appointed as Registering Authorities under the Bombay Refugees Act. But the Mamlatdars have already been over-worked and it is necessary to give them the assistance of an Aval Karkun and one Clerk to cope ~~up~~ with the additional work in connection with ~~the~~ refugee relief in each of the Talukas bordering on Hydrabad State

2. It is therefore submitted that sanction may kindly be accorded for the appointment of the following staff in the talukas adjoining the Nizam's territory, for a period of 6 months or till the refugee problem ceases to exist, which-ever is earlier.

Bijapur Taluka.	One Aval Karkun in the grade of 100-8-140 One Clerk in the grade of Rs. 46-3-85-120

Hungund Taluka.	-do- -do-
Badami Taluka.	-do- -do-
Bagalkot Taluka	One clerk in the grade of Rs. 46-3-85-120

The work in the Collector's Office has considerably increased and it is not possible to cope with the work without additional staff. Orders regarding the relief measures to the refugees will have to be issued and important correspondences will have to be looked to. The work is of a very important and urgent nature. I, therefor, propose that one Senior Clerk in

be sanctioned for my office.

3. As the work is to be commenced at an early date, it is submitted that the orders may kindly be communicated telegraphically.

A Maile

District Magistrate Bijapur.

The Collr. of Bijapur has stated that the Mamlatdars who have been appointed as Registering Authorities under the Refugees Act are already over worked and due to the large number of refugees from Hyderabad arriving in the District, it is necy. to appoint additional staff for the work. The Collr. has requested that the following staff may be sanctioned.

Bijapur Taluka -		1 A.K. in the grade of 100-8-140 1 Clerk 46-3-85-120.
Indi Taluka	"	-do-
Sindgi	"	-do-
Muddebihal	"	-do-
Hungund	"	-do-
Badami	"	-do-
Bagalkot.	"	1 clerk in the grade of 46-3-85-120

The Collr. also requests that a Senior clerk in the grade of 85-4-120 may be appointed in the Collr's office to deal with the work in connection with refugees.

2. It may be stated here that Govt. has now decide that the immigrants from Hyderabad should be treated on par with the refugees from Pakistan for the purposes of grant of relief. A new minor head 'expenditure on Hyderabad immigrants' has been opened under '57-Misc-Expendr. on refugees' to record the expenditure on these persons. These persons are also to be classified as 'Refugees' as defined in the 'Refugees Act' and are liable for registration under the Act. In the circumstances it is necy. to appoint the staff to deal with this work in view of the large number of immigrant from Hyderabad coming into bordering Distt. like Bijapur. The necy. sanction may therefore be accorded to the appointment of the staff proposed by the Collr. after u.o.r. to R.D. & F.D. These Offs will let Govt know this as very urgent

It is true that these persons are covered by the definition of the term "Refugee". Govt orders referred to have in fact stated that these persons should not be considered as regular refugees.

Rs. 46-3-85-4-125-5-130

Rs. 46-3-85.

~~Presumably~~ The former is intended for ~~clerks~~ permanent clerks in important offices like Collrs. Since the clerks are required for Taluka offices they may be appointed in the scale of 46-3-85.

The pay-scale proposed for the Senior clerk in the Collr's office is Rs. 85-4-120. As no such pay scale has been sanctioned for any senior clerk. A clerk may be appointed in the grade of Rs. 46-3-85-4-125-5-130.

Staff in connection with.

I had submitted proposals for the appointment of staff in connection with the work mentioned above under my letter No.P.O.L.-881, dated 24-5-1948 which was sanctioned by Government in their letter, R & R.D.D. No.W.653-X(N)/9444, dated 26-6-1948. In the concluding para 2 of this office letter mentioned above, I had proposed a senior clerk in the time scale of Rs.85-4-120 in this office to which Government have sanctioned the appointment of a clerk in the grade of Rs.46-3-85-4-125-5-130. I presume that there is no objection in fixing the pay of the clerk appointed for this work on Rs.85/- p.m. in the sacle sanctioned by Govt. I may kindly be enlightened as to whether my presumption is correct.

Serial No. 21451

For Collector, Bijapur.

The Deputy Secretary to Government,
Relief and Rehabilitation Department, Bombay.

Subject:- Establishment in connection with refugee

Ref:- Correspondence ending with your letter No. W.-653-X(N)/9444, dated 26-6-1948.

Three refugee camps have been opened at Bijapur City by the District Refugee Relief Committee, Bijapur, where several hundreds of refugees from Hyderabad are housed and fed. In view of the recent orders all expenditure on relief to refugees is to be borne by Government. As expenditure involved to Government in this connection requires to be supervised and checked and this work cannot be entrusted to the already over-burdened existing staff, I suggest the appointment of an Assistant Refugee ~~Relief~~ Officer at Bijapur of the rank of a second grade Mamlatdar, and one clerk and a peon under that officer to look after the refugee work. If this work is entirely entrusted to a non-official body there will be very little control over this expenditure which has exceeded Rs. 2000/- during the past month and continues on the increase in view of the large influx of refugees from Hyderabad. In order to have a close watch and strict supervision over this expenditure, the appointment of the above staff is quite necessary for a period of 8 months ending 28th February 1949, or ~~six~~ till the refugee work ceases whichever is earlier. This officer will also be responsible for all work connected with the refugee problem which is likely to prove more serious as days go by in view of the rupture in the relations between the Indian Union and Hyderabad. The expenditure incurred on this account in Taluka places will be supervised by the Refugee Mual Karkuns sanctioned in the Government letter mentioned above. The strict supervision by the Government Officer [illegible] registration and maintenance of refugees and

and maintenance of proper accounts is quite essential as it cannot be expected from a non-official body.

3. I, therefore request you kindly to move Government to sanction my proposals immediately. The expenditure on the above account has been included in the estimated expenditure for 1948-49 submitted to Government under this No.P.O.L.-881, dated 16-7-1948.

Yours faithfully,
Cd.E.Francis,
Collector, Bijapur.

P. 17

The Collr. of Bijapur had requested for additional staff for dealing with the work in connection with Hyderabad refugees. Vide his letter NO. POL - 881 dt 24/7/48 He however states now that as the Hyderabad problem has been solved there is no necessity to appoint this additional staff.

2. All the staff sanctioned in G.L. No. 4683 X(12) - 9444, of the 26-6-48 except an Awal Karkun & a Senior Clerk has been discontinued by the Collr. The Collr. requests that the A.K & the Senior Clerk should be continued till the end of March 1949. Although the Hyderabad problem no more exists, according to the G of I's instructions, the repatriation of Hyderabad refugees is to go slow. L. Some residuary work is, therefore, bound to remain in this connection for the time being. The posts of the A.K. and the Senior Clerk

31-3-49 or till the refugee work ceases, whichever is earlier.

3. Pl. see the Coll's letter dt. the 27-7-48. The Coll. had originally suggested ~~the~~ a scale of Rs. 85-4-120 for the Sr. Clerk. However, as no such scale exists, a scale of Rs. 43-3-85-4-125-5-130 was sanctioned to the Sr. Clerk. There seems to be no objection to fix the pay of the Sr. Clerk at Rs 85 in this scale, from the date of his appointment.

4. F.D. may see us ~~first~~ as regards

7-11-48.

① Continuance of the post of Asst Karkun at the Bijapur Taluka Office and of Senior clerk at the Collr's Office sanctioned in G.L. No W.653-X(IV)-9444 * dt 26/6/48, upto the 31st March 49 or till the refugee work ceases, whichever is earlier

② Fixation of pay of the Senior clerk at Rs 85/- in the grade of 46-3-85-4-125-5-130 from the date of his appointment.

2. In the circumstances explained by the Collector, the proposal made by the R.& R.D. in para 4(1) may be agreed to.

3. As regards the proposal in para 4(2) of the R.H.D. H.D. office note there are no posts designated as "Senior clerks" in the Collector's offices. The Collr. refers to a senior clerk, by which he presumably means a clerk who has a fairly long experience and is already nearing the stage of pay somewhere near Rs.85/-. If so, there can be no question of giving any advance increment. The proposal merely means retention of a post of a clerk on Rs.46-3-85-4-125-5-130 (with the prescribed E.B.) This may be agreed to.

Almost all the refugees from Hyderabad have gone back to Hyderabad and all the above staff except a senior clerk in the Collector's office has already been discontinued. The clerk in the Collector's Office has been continued as there is much work in connection with the Hyderabad and Pakistan refugees still remaining in this district. 2. The F.D. agrees to the proposals made by ~~them~~ this Deptt. Since the papers were received from the F.D. however, the Collr.of Bijapur has sent a further letter from which it is evident that the Collr. has now retained only one senior clerk instead of an aval karkun and one senior clerk as proposed by him previously. It is not therefore necy. now to continue the post of an aval karkun ~~now~~. On the other hand the Collr. has requested that the post of senior clerk may be continued for a period of six months more from the 25th January 1949 as against his former proposal of continuance till the end of ~~Decr.'48~~ March'49. In view of the reasons given, the Collr.'s proposal may be accepted. F.D.'s concurrence will however be necy. and this may be referred u.o. to that Deptt. before orders are issued.

If it is meant that in all the Collectorates has retained two clerks, it is not correct. The Collector has now retained only one clerk in his office and his proposal is with the clerk also for further necessary.

Six displaced persons from Pakistan(Sind) are still remaining in this district though other displaced persons from Hyderabad(Deccan) have all returned to their homes. Periodicals as shown in the enclosed list are to be submitted monthly etc. as called for in respect of the displace persons from those places. The submission of the statements shall have to be continued till all the displaced persons leave the district for their homes. A clerk in this office is necessary to look to the proper and punctual submission of the periodicals and also to deal with the general reference on the subject. Moreover the work in respect of the Administration and control of evacuee property is also increasing day by day. Hence the post of a senior clerk in this office is quite essential and sanction may kindly be accorded for the continuance of the said post for a further period of 6 months with effect from 23-1-1950.
